

WILDFLOWER CENTER FOR
EMOTIONAL HEALTH INVITES YOU
TO JOIN

INFERTILITY SUPPORT GROUP

SUPPORTING YOU AT ANY STAGE
OF YOUR FERTILITY JOURNEY

MONDAYS AT 7:30 P.M.

FACILITATOR: LIZ BRICE, MSW,
LCSW

COST: \$25 PER GROUP

This is a video-based group via a teletherapy
platform.

No person feels prepared to confront infertility and the grief, isolation, and fear that may follow the diagnosis. COVID-19 created unprecedented disruptions in daily living and medical care, including fertility treatment. You may have felt even more uncertain and hopeless. You are not alone.

The group will focus on supporting you through losses associated with the infertility diagnosis and treatment, social isolation, COVID-19, mood and anxiety challenges, and impacts on self-esteem and relationships.

There is no minimum session commitment to join this group. Individuals can join at any time.

For more information or to
register for the group, please
